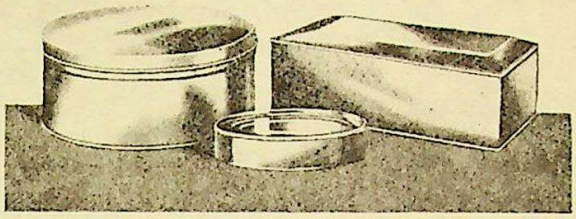
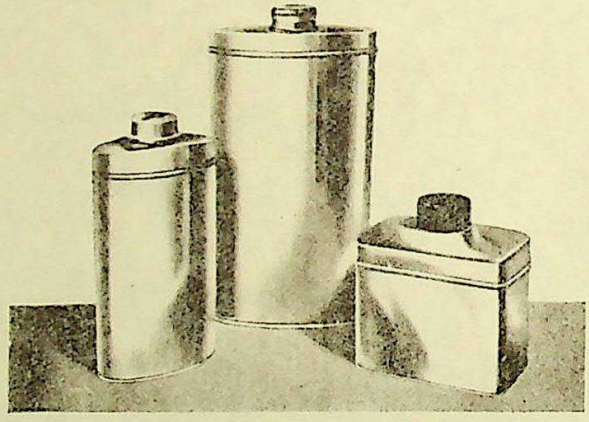
GENERAL LINE CANS

. . . including such standard containers as paint, varnish and insecticide cans.



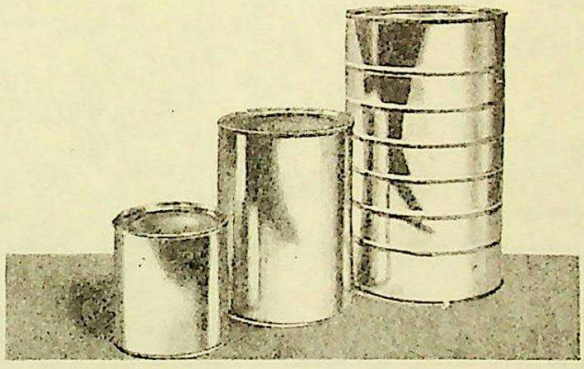
SPECIALLY-DESIGNED CONTAINERS

. . . such as candy and fruit boxes, seafood containers and items designed for specialty products.



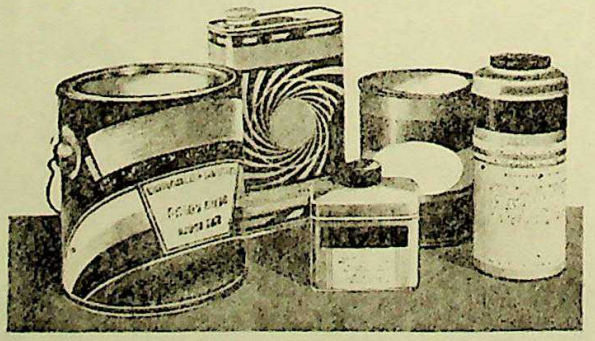
CUSTOM LINE CANS

. . . such as talcum, tooth powder and drug product cans.



SANITARY CANS

. . . for processed foods and other products demanding an exceptionally tight protective seal.



LITHOGRAPHED AND COATED CANS

. . . in all of the foregoing classifications.

Not only in its wide range of products but also in its technical service, National Can reflects a half century's experience and progress in the manufacturing of plain and lithographed metal containers. Its engineers and research technicians apply their ingenuity and expert knowledge to your packaging problems.
